BIOCOMPATIBILITY CERTIFICATION

Date: 12 October 2026

Formlabs, Inc. hereby certifies that parts printed with Alpha Grey Resin V1, and post-processed according to the accompanying instructions, meet the applicable requirements of ISO 10993-1:2025 and are biologically safe for limited duration (≤24 hours) intact mucosal membrane and long term (>30 days) intact skin contacting devices. Test samples were printed and post-processed according to the Default workflow defined in the resin technical data sheet.

Test Title	Evaluation Endpoint	Test Result
Cytotoxicity Study Using the ISO Elution Method	Cytotoxicity	Met requirements of the test
USP and ISO Intracutaneous Reactivity Study	Irritation	Non-irritant
ISO Guinea Pig Maximization Sensitization Study	Sensitization	Non-sensitizer
